message from the President and CEO

At the end of fiscal year 2009 and the 45th year of the Jewish Foundation of Manitoba, we are pleased to report that your Foundation has successfully weathered the deep and difficult recession of last year. The Foundation remains on firm footing thanks in large part to our Investment Policies and Guidelines that served us well, providing stability through the economic turbulence.

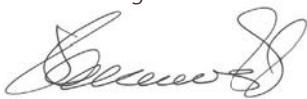

Our spending policy has proven to be sound, and as we rebuild capital it will continue to moderate possible negative impact on organizations that depend on us. Our investment advisors who understand us and the work that we do have provided calming and strategic counsel resulting in the Foundation's investments earning a remarkable +15.03 percent in 2009. This result portends a bright forecast for 2010.

The generosity of our donors allows us to move forward with confidence. Thanks to \$3,174,518 in new donations in 2009 we were able to distribute more to some of our core organizations than in the previous year, in spite of a lower distribution rate. Jewish Child and Family Service, the Rady Jewish Community Centre, and the Gray Academy all received more in distributions in 2009 than in 2008 and of the 244 organizations that received funding from the Foundation in 2009,

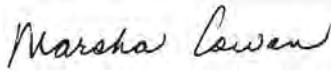

127 organizations received more than the year before.

Our community can be proud of the resilient Foundation we have built together. We are very grateful for our loyal donor base who has cared passionately about the future of this community. We are thankful for the numerous volunteers who commit time and energy ensuring the Foundation's success and for the work of our dedicated Board and committees comprised of wise, insightful and compassionate individuals. We are thankful for our team of dedicated, knowledgeable and talented employees.

What does tomorrow look like to you? To us, it looks as bright as always! Thanks to you the Jewish Foundation of Manitoba is still Growing for Life in our community.
