Today. Tomorrow. Forever.

Our New Application Process

Please take a moment to read the following instructions regarding our new “online” application process.

At the bottom of this page you will find the link to the application form. Once you click on the link you will be able to begin filling in the form. The application consists of four sections which **you MUST complete**:

- Applicant Information
- Project Summary
- Project Information
- Attachments

You do **NOT** have to complete the entire application **AT ONE TIME**. You may **save your work to YOUR COMPUTER** at any time.

Once your application is complete and you are ready to send it to us, click on the “Submit by Email” button at the bottom of the form and a new message will open up in your default email program (or you may choose to use an online email provider such as Hotmail). The application form will already be an attachment in the email, however **you must ALSO attach the remainder of the required documents**.

Once your application is received, it will be reviewed for completeness and if we require any further information, you will be notified.

Thanks for taking the time to read this. We trust that this transition to our new “paperless” world will be an easy one for all of us. If at any time you have any questions, please [SEE OUR FAQ SECTION](#) or contact us at 477-7520 OR applications@jewishfoundation.org.
