

Growing *for* life

and Strengthening Our Community

Supporting Healthcare

Donors to the Jewish Foundation recognize the value they receive from our community's healthcare institutions. In 2008, donors allocated \$4,750 to support the work of the Misericordia Health Centre Foundation. The Health Centre was also pleased to receive a grant of \$7,000 for the purchase of an Ultrasonic Bladder Scanner. Through the Jewish Foundation of Manitoba, donors can support institutions that have made a difference in their lives.

JFM Board Member Lillian Neaman with Kevin Hunter, Executive Director of MHCFC
