

# Growing *for* life

and Strengthening Our Community

## Supporting Our Children

In 2008, more than 130,000 children were treated at the Children's Hospital of Winnipeg. Donors at the Jewish Foundation of Manitoba showed their support by allocating \$1,498 in support of the hospital and its mission of ensuring the highest standard of care for sick children. By establishing a permanently designated fund at the Jewish Foundation of Manitoba, you can support the causes that make a difference to you - today, tomorrow, forever.
