

JEWISH FOUNDATION OF MANITOBA

Today. Tomorrow. Forever.

FREQUENTLY ASKED QUESTIONS - ONLINE GRANT APPLICATIONS

Can I apply for a grant if my organization does not have a registered charity number?

Only registered charities are eligible for grants from the Jewish Foundation of Manitoba.

How much funding should I be requesting?

There is no minimum or maximum amount, however it should be noted that the average grant amount is \$8,000.

My project will be starting before the decision is made by the Foundation. Can I still apply for a grant?

Grants are not made to projects or programs that are already in progress.

What if I do not submit all the required information?

The Foundation will not consider the application unless it is complete.

What should I do if the audited financial statements aren't completed yet?

You must provide an interim balance sheet and income statement that is as current as possible. Submit your most recent audited statements and forward the more recent statements when they are complete.

How do I attach the required documents?

The entire application form along with the requested attachments must be emailed to the Foundation. Attachments can be converted to a PDF through one of many free applications available online (e.g. Bullzip PDF Printer) or sent in their original format (e.g. Word). Any hard copies of documents such as financial statements will need to be scanned first.

How do I save my application? How can I access it when it is in progress?

The fillable application form can be saved at any time to your own computer. It can then be accessed and saved as many times as you wish before submission.

Will you notify me when my on-line application has been received?

We will send you an email confirming that the application has been received. The application will then be reviewed and you will be notified if we require any further information.
