Today. Tomorrow. Forever.

Education Awards – FAQ's

Can I apply for a scholarship if I don't have a Social Insurance Number?

Yes – but any scholarships awarded to you **MUST** be paid directly to the educational institution to which you have been accepted.

What is the dollar value of the scholarships?

There is no minimum or maximum amount awarded, however it should be noted that the range can be from \$500 to \$5,000. The amount you are awarded is determined by the Committee based on an analysis of all information you have provided.

What if I do not submit all the required information?

The Foundation will not consider the application unless it is complete.

How will I know if my reference letters have arrived?

The Foundation will advise you **IF** one or more of your reference letters has **NOT** arrived by the deadline date. It will be up to you to follow-up with your referee to ensure their cooperation.

What should I do if I do not have official transcripts for the current year?

You must provide your marks from the first term of the current year. If an official transcript is not available, we will accept a web printout as long as it is identifiably yours.

How do I attach the required documents?

The entire application form along with the requested attachments must be emailed to the Foundation. Attachments can be converted to a PDF through one of many free applications available online (e.g. Bullzip PDF Printer) or sent in their original format (e.g. Word). Any hard copies of documents such as financial statements will need to be scanned first.

How do I save my application? How can I access it when it is in progress?

The fillable application form can be saved at any time to your own computer. It can then be accessed and saved as many times as you wish before submission.

Will you notify me when my on-line application has been received?

We will send you an email confirming that the application has been received. The application will then be reviewed and you will be notified if we require any further information.
