

Growing *for* life

and Strengthening Our Community

Supporting Quality Child Care

In 2009, donors to the Jewish Foundation of Manitoba supported the Aleph-Bet Child Life Enrichment Program. This north end day care provides quality child care while instilling a sense of pride and commitment to the Jewish culture, heritage and religion. By establishing an endowment fund at the Jewish Foundation, you can ensure our community's youngest receive the care and the education they need – today, tomorrow, forever.
