JEWISH COMMUNITY & ONGOING GRANT GUIDELINES

DEADLINES: DECEMBER 15th & JUNE 15th OF ANY GIVEN YEAR

- Only qualified donees* in Manitoba are eligible for grants from the Jewish Foundation of Manitoba;
- Projects must benefit the Jewish community in Manitoba;
- Multi-year funding to a maximum of three years will be considered for pilot projects and ongoing programs provided the JFM Grants Committee is satisfied that the organization has demonstrated the ability to carry out the project;
- Organizations receiving multi-year funding must report back once a year to receive funding;
- Grants for ongoing programs must be completed before the organization can apply for the same program again.

PREFERENCE IS GIVEN TO PROJECTS WHICH...

- Enhance Jewish continuity and deepen Jewish identity;
- Demonstrate a need and clearly benefits for the Jewish community of Manitoba;
- Provide for opportunities for members of the Jewish community of Manitoba to benefit either locally, nationally or internationally;
- Demonstrate a source of ongoing funding if project is to be continued;
- Are undertaken collaboratively between two or more organizations;
- Encourage more efficient use of community resources;
- Strengthen the internal management capabilities of the organization;
- Promote volunteer participation and citizen involvement;
- Demonstrate innovative approaches and techniques to resolve community problems.

GRANTS ARE NOT MADE FOR...

- ...Costs occurring prior to notification of grant approval;
- ...Fund-raising appeals such as memberships and sponsorships.
