## MESSAGE FROM THE Chair, Board of Directors

**SET UP FOR  
SUCCESS**

It's certainly been an unusual few months, with people around the world staying home, and with the global economy coming to a standstill. But while COVID-19 has impacted so much of our daily lives, it's also put what really matters into perspective – community, family, and helping those in need. The Jewish Foundation of Manitoba has always taken these things to heart, and throughout this time we have been doing our part to continue to support the Jewish community and the organizations most important to our donors.

The pandemic hasn't slowed us down, in part because of the successes we had in 2019. Last year, our endowment fund's net assets increased by 14% year-over-year, to more than \$137 million. We received more than \$5.6 million in new donations, which came from all corners of the community - including from those who had never given before. Many of those donations were small gifts of a few dollars, which came in as a result of our popular tribute card program. Building this kind of broader spectrum of support is one of my goals for the Foundation as Chair, and is something I consider a key element of inclusivity and the Foundation's ongoing success.

Our priority for 2019 was finding a new CEO who could continue guiding and growing the Foundation. After an extensive search, which lasted most of the year, we hired John Diamond. John is an accomplished lawyer and asset manager, and began in his new position this past February. On behalf of the Board and all of us at the Foundation, I want to welcome John. Thank you to Stephanie Casar and Ian Barnes, who together led the Foundation while we were without a CEO, and who both supported the Board with dedication and professionalism during the interim period. I also want to thank the entire Foundation staff, and our Board and committees, for ensuring that everything ran smoothly and seamlessly until our search for a CEO was completed.

The work we did last year has put us in a strong position for the future. One of our goals for 2020 is to refresh our five-year strategic plan, which will include setting new financial and strategic goals and once again revisiting our governance structure. The pandemic experience has opened our eyes to new realities, and it's our responsibility to take any steps necessary for our organization to have the structure and flexibility best suited to support our community for the years and decades to come.

Finally, I want to thank all of you for your support. It's your contributions that enable the Jewish Foundation of Manitoba to do its work in good times and in more difficult ones. This is an exciting time at the Foundation, and I look forward to what's to come.

**Richard L. Yaffe, Q.C.**  
Chair, Board of Directors

During 2019, both individual donors and organizations continued to significantly support the Foundation with endowment contributions in excess of \$5.6 million. Gifts to organizational endowments comprised \$1.9 million of the 2019 gifts representing an 8.0% increase over the previous year. This increment will result in an additional \$80,000 distributed into Winnipeg's Jewish community annually. The stability provided to the community through the growth of organizational endowments cannot be overemphasized, especially during periods of adverse economies and/or poor market conditions. The Foundation is grateful for this support, which enables greater distribution to the community.

The performance of the investment portfolio for 2019 was 15.34% before fees. The 5-year and 10-year returns were 7.49% and 7.93%, respectively, before fees. 2019 was a "good year" in terms of investment performance. While the Foundation is pleased with this return, we emphasize that the Foundation's investment strategy is focused on the long term. It is strategic, long-term planning and engagement that determines the Foundation's ability to continually provide support to, and exhibit leadership in, the community. Short-term volatility will be experienced from time to time, as observed in the first portion of 2020.

Within the Foundation, there exists many metrics that signal an engaged community. One such metric is the large volume of tribute cards that continue to be processed year after year. During 2019 nearly four thousand tribute cards were issued. This represents almost four thousand personal messages for many different occasions, expressions of love and support, saying, "I'm thinking of you." The one commonality we share as a community is that we care about each other. It will always be a "good year" as long as we continue to care, regardless of the market environment.

During 2019, the Foundation distributed in excess of \$5.2 million to the community, \$700,000 greater than the previous year. This increase is yet another metric signaling an engaged community. Those before us planted the seeds that bear fruit today – and we continue to plant seeds for a greater tomorrow. The Board, staff, and team of wonderful volunteers shall continue our dedicated efforts to maintain your confidence in the Jewish Foundation of Manitoba.

# BUILDING & FRIENDSHIPS & COMMUNITY

Sentiments of caring and support for family, friends and loved ones send waves of impact resonating throughout our community.

JFM TRIBUTE CARDS

NEW  
LOOK  
FOR 2019

If you've recently celebrated a wedding, given birth to a child or reached a milestone anniversary there's a good chance you've received a card saying that a donation was made to the Jewish Foundation in your name. You may have sent one of these cards to a loved one, too. In fact, since the mid-1970s, when the Jewish Foundation tribute cards were created, hundreds of thousands of these cards have been sent across the city, and indeed the world, to help people commemorate numerous lifecycle events.

Tribute cards have been one of the Jewish Foundation's most successful community-building initiatives. In 2019, the organization processed almost 4000 cards and helped people acknowledge all kinds of events, from birthdays to the loss of a loved one, from graduations to relocations, worldwide travels and much more. Many people also sent cards for no reason at all – just to say they're thinking of someone they care about.

With a minimum \$18 donation, tribute cards provide an easy way for anyone to engage in the community and support causes important to themselves or the recipient of the card. Plus, with a personalized message, the card recipient; often a friend, family member or colleague, can feel emotionally supported through all of their significant life events.

Over the last 40 years, tribute cards have brought countless people together in both happy and sad times. With many more personal milestones to come, expect to see more of these cards arriving in your mailbox soon.

"The greatness of a community is most accurately measured by the compassionate actions of its members."

– Coretta Scott King

# 2019 JEWISH FOUNDATION OF MANITOBA LUNCHEON

in support of the Women's Endowment Fund

In May, fashion icon and well known television personality Jeanne Beker was the keynote speaker for a packed room of over 400 business and community leaders. The event raised nearly \$70,000 for the Women's Endowment Fund.

Jeanne shared her parents' unbelievable story of Holocaust survival and spoke about how their tenacity, character, and spirit helped to shape her life.

Following her keynote, Jeanne answered audience questions during an intimate fireside chat. It was a unique opportunity to learn even more about what life was like for her while becoming a pillar of the fashion industry as well as one of the most recognizable television personalities both in Canada and around the world.

2019 Signers' Brunch

On Sunday, October 27, 2019, more than 120 people gathered for an intimate brunch full of warmth, celebration, and entertainment at the Viscount Gort Hotel in Winnipeg for the annual Endowment Book of Life Signers' Brunch. Thirteen signers made their marks for now and all time, promising publicly to leave a financial legacy to their community. To further honour this year's signers, all in attendance were treated to a performance produced by the Winnipeg Jewish Theatre, which featured some absolutely showstopping numbers. For a complete list of EBOL signers, turn to page 70.

## YOUTH IN PHILANTHROPY

In May, JFM provided \$3,000 to Gray Academy of Jewish Education's Youth in Philanthropy program. Through the Gemilut Chasadim course, Grade 10 students learned about various charities in Winnipeg and supported five organizations with these funds. See page 23 to learn how the students distributed their funds.

## EDUCATIONAL AWARDS & SCHOLARSHIPS

In June, JFM distributed \$176,000 to 76 education award and scholarship recipients at a reception held in the Kanee Foyer at the Asper Jewish Community Campus. These awards help students achieve their educational goals. See page 16 to meet the 2019 recipients.

## Jewish Foundation of Manitoba Allied Professional Series

On November 27th 2019, the Jewish Foundation of Manitoba hosted 50 professional advisors for a luncheon at Bergmann's on Lombard, focused on facilitating the charitable intent of advisors' clients.

The audience was treated to presentations by panellists Leilani Kagan and Ryan Palmer – moderated by DeWayne Osborn.

The Foundation has always understood the value of connecting with those who help people achieve their philanthropic goals. This event signals the start of an increased level of communication with those that have the potential to help their clients achieve those goals through the JFM.

# BERVIN

COMMUNITY ORGANIZATIONS BENEFIT FROM POWERFUL INCENTIVE FUND

The Berdie & Irvin Cohen (BERVIN) Incentive Fund was established in 2014 to provide an incentive to Jewish organizations to establish an endowment fund or to grow an existing one. The Fund is another way the memory of Berdie and Irvin Cohen – a couple remembered for their values, work ethic, upstanding character, and good parenting – is honoured by their son.

In the past some organizations have been wary about establishing endowment funds because they could not access the contributed capital. BERVIN provides a financial incentive and offers a higher distribution rate than a typical GIC, while addressing that concern.

### How does it work?

- When a participating Winnipeg Jewish organization adds \$720,000 in new money to its new or existing organizational endowment fund with the JFM, it triggers a maximum \$108,000 incentive contribution to their endowment
- Participating organizations are motivated to encourage their supporters to contribute to their endowment fund

- These same organizations are encouraged to deposit funds they already have held in reserve
- As a bonus, once participating organizations reach the \$1 million mark in new money, they earn the right to withdraw capital from their endowment fund in the event of a “rainy day” or a special project.
- The organization will continue to earn income on the balance that remains with the Foundation, and the organization can make further contributions, at its discretion, to rebuild to \$1 million and beyond
- Participating organizations have until 2025 to reach \$1 million in new money
- Participating organizations are required to establish, increase, or broaden their relationship with the State of Israel through meaningful and innovative initiatives.

FundMatch is an initiative designed to entice organizations to grow their endowment funds. When certain targets are reached, the FundMatch initiative provides an additional contribution to the organizational endowment fund, which generates even more income for the organization.

JFM is grateful to our donors who have provided the matching money for FundMatch. This initiative would not have been possible without them.

## ORGANIZATIONAL & SPECIAL INTEREST FUNDS

Organizational Endowment Funds are an important cornerstone of our success as a Foundation and as a community. By launching and growing their own endowment funds, our institutions ensure an annual flow of income – in perpetuity. Our Special Interest Funds allow donors to come together to support programs and services more broadly (like Jewish camping, special needs, or women’s causes, for example).

# BAR/BAT MITZVAH

## ENDOWMENT FUNDS

These funds instill the principles of tzedakah and philanthropy in young people. When a child's fund reaches \$750 by the time they reach age 15, the Nora & David<sup>TM</sup> Kaufman Bar/Bat Mitzvah Fund contributes an additional \$250 to bring the fund to the \$1,000 level. Once this happens, the fundholder is invited to recommend its annual allocation.
