As we write this, and think about 2021 at the Jewish Foundation of Manitoba, our feeling of warmth and admiration for our donors is hard to ignore. Year after year, we continue to see our asset base grow through contributions to existing funds and through the opening of new funds. This year, 81 new funds were opened, and over \$3 million in new donations were made to endowment funds at the JFM. Truly, this is the work of our donors and community, allowing us to do what we do.

Each year, we look closely at what we do, and in 2021, that came by way of focus groups that helped develop a renewed sense of how we can best help our community. The focus groups gave us a chance to learn about ourselves, our donors, and our beneficiaries, to find new ways to grow as a Foundation, and assist those who need it.

One opportunity that emerged from these focus groups was rebranding our (formerly) Undesignated Funds to become our Community Impact Funds. Thanks to our donors, we have always been able to help organizations and people across the community, something the previous fund name did not fully reflect. The Community Impact Fund name spotlights the generosity and impact that our donors have in the community and on its members.

When thinking about community impact, a prime example is The Saul & Claribel Simkin Centre, which, in 2021, received two Community Impact grants.

One grant focused on both the mental health and welfare of the residents, and lifestyle improvements and activities for those interested. Support was provided for the purchase of wheelchair tandem bikes and helmets for the residents, acting as a way to improve mental health and ease the effects of depressive diseases.

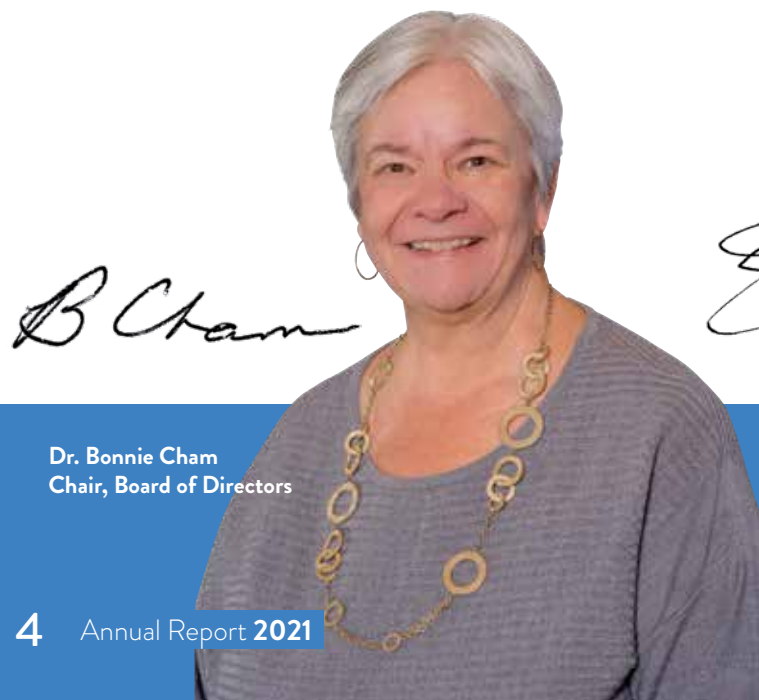

The other Community Impact grant they received, spanning over two years, will allow The Simkin Centre to hire a Spiritual Care lead who will review and develop their spiritual care department. Health, wellness, and happiness look different for different people, and through spiritual care, the Simkin Centre finds yet another way to help its residents.

Community Impact grants allow our community organizations to stay creative and to continue providing innovative programming that help people thrive. The Simkin Centre is just one example of the countless organizations receiving funding provided by Jewish Foundation of Manitoba grants.

For over 55 years, our donors have stepped up to the plate, ensuring the community will remain as strong for the next 55 years and beyond as it is today. In that time, our donors have contributed to an asset base that now exceeds \$162 million, and which has surpassed \$83 million distributed in grants and scholarships.

2021 added another year to the rich history of support for our community; thank you to our donors who continuously make this possible.

Today Rabah,

Dr. Bonnie Cham  
Chair, Board of Directors

John Diamond B.A., LL.B.  
Chief Executive Officer

The Foundation experienced a good year in 2021 from a financial perspective. The investment portfolio returned 12.49% (net of fees). Our donors contributed \$3.3 million in contributions, including \$1.2 million from various organizations allocated to their respective organizational endowments. The growth in total assets was 9.2% from the previous year. However, we always like to reiterate from time to time that growth is not simply for growth's sake. The growth represents a healthy community asset that is serving its community. While the investment returns may ebb and flow from year to year, the Foundation will measure itself by its performance over the long term and its continued relevance to its constituents. The Foundation never takes this relevance for granted. We have to "earn our keep" every day, which is the standard to which our volunteers and staff apply themselves. Thank you for your continued support!

The metric we are especially proud of is the trend of increasing granted dollars to organizations. In 2021, \$5.8 million was granted to various organizations. Over the last ten years, granting has increased by \$2.8 million or 94.8%. Since the Foundation was established in 1964, \$83.9 million has been distributed to vital organizations in the Jewish community and throughout our province. We congratulate the organizations for coming out of the pandemic's peak in relatively good shape. As mentioned last year, the Foundation provided \$900,000 in emergency operating funding to contribute to this recovery. In addition, the organizational endowments previously established at the Foundation provided reliable cash flow whose need was never more acute than during the pandemic. These organizational endowments will also provide dependable financial support for the next crisis they may face.

Based on the 2021 investment performance, the Foundation will capitalize \$9.0 million to the endowment funds on a pro-rata basis effective January 1, 2022. This is the largest capitalization in the Foundation's history.

Let's talk about cyber security for a moment. It is important to be explicit that cyber security is a top priority for the Foundation. Significant investment is allocated to appropriate procedures and internal controls, software applications, monitoring and formal education for the staff. Appropriate policies are in place to defend

and protect. Such financial investment and significant dedication of staff time are critical to protecting the personal information our constituents have entrusted to the Foundation, protecting the database and the overall commitment to the philosophy of "Kaizen" or continuous improvement.

Finally, it is unusual to comment on events that have occurred recently in a CFO report for 2021. However, the 2022 federal budget included a major provision that impacts the charitable sector. The minimum disbursement quota, the minimum annual dollars that must be granted to the community, was increased from 3.5% to 5.0% commencing in 2023. This is good news as even more money will be distributed to organizations.

The Foundation has been annually distributing above the minimum amount required for decades. Therefore, it has earned some disbursement credits over the years. The Foundation will use these credits to incrementally work towards the 5.0% minimum threshold over the next 4 to 5 years and remain compliant with the Income Tax Act and the Canada Revenue Agency. The Foundation has been planning for this event for some time. Please watch for announcements regarding the operation of the Foundation's endowment funds soon.

### FundMatch

Launched in 2012, FundMatch is an initiative designed to entice organizations to grow their endowment funds. When certain benchmarks are reached, the initiative provides an additional contribution to the organizational endowment fund, which generates even more income for that organization.

### BERVIN

The Berdie & Irvin Cohen (BERVIN) Incentive Fund was established in 2014 to launch a new threshold of incentive for organizations to grow their endowments. Once a participating organization reaches \$1 million in new money, they earn the right to withdraw capital from their endowment fund. Participating organizations are required to broaden their relationship with the State of Israel through meaningful initiatives.

The Incentive Fund is a son's way of honouring the memory of Berdie and Irvin Cohen – a couple remembered for their values, work ethic, upstanding character, and good parenting.

### The two initiatives are currently being funded in three ways:

#### i. Sponsorship Gifts

The Asper Foundation	Will Hechter & Family
Carol & Sheldon Berney Fund	Myrna Levin
Marjorie & Morley Blankstein Fund	Tova & Larry Vickar

— COMMUNITY —  
IMPACT FUNDS

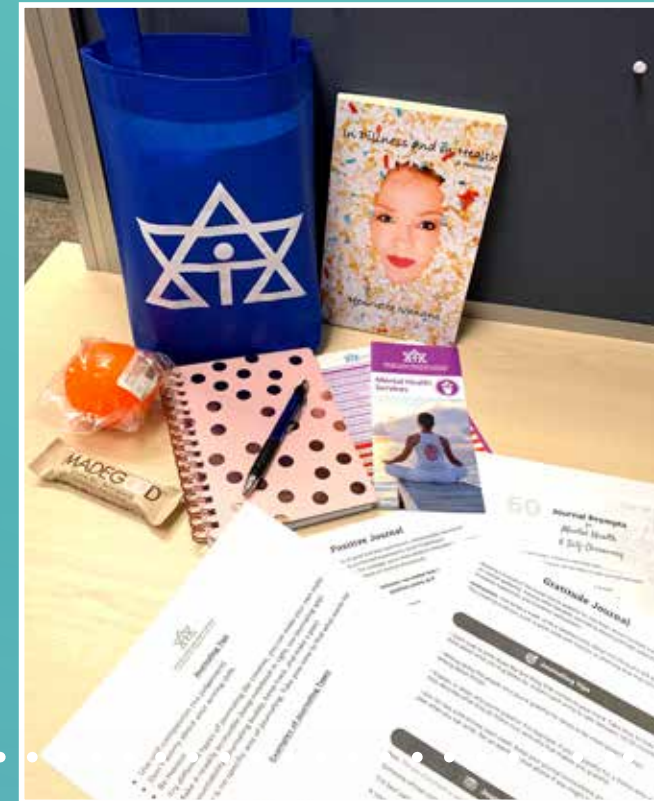

*Investing in  
your community!*

To close 2021 and throughout 2022, we are shining a spotlight on Community Impact Funds. Formerly known as “undesignated,” these funds provide vital grant support to charitable organizations at home in our own Jewish community and throughout Manitoba.

By raising awareness about the Community Impact Funds, we highlight the incredible value of ongoing donor commitment to sustaining our vibrant community.

During the past two years, Community Impact Funds have emerged as our most effective and flexible tool to address urgent needs during difficult times. They also give the Foundation the greatest ability to address ongoing and emerging needs in the community while supporting innovation in all environments.

The following Community Impact Grants highlight a few ways in which donor contributions are making a difference.

## Jewish Child and Family Service

Community Impact grants helped JCFS expand their mental health programming in new ways in 2021. Support was given for a new initiative that focuses on client needs in a wholistic way by the development and delivering of a range of wellness activities emphasizing self-care. The activities, delivered throughout the year, focused on the self-care areas of sensory, cognitive, emotional, physical, and spiritual and each client was provided with a self-care kit to facilitate these.

## Friends of the Canadian Museum for Human Rights

Dimensions in Testimony is a collection of interactive autobiographical interviews that enable people to have a conversation with a pre-recorded video of Holocaust survivors and other witnesses to genocide. This innovative project is presented in partnership with the Montreal Holocaust Museum and the Shoah Foundation, integrating advanced three-dimensional filming techniques, specialized display technologies, and next-generation natural language processing to create an interactive biography. Community Impact grants helped this become a permanent exhibit.

# Adas Yeshurun Herzlia Congregation .....

Adas Yeshurun Herzlia Congregation launched ‘HELLO’ in 2021. A set of interactive and hands-on workshops for young people high school age and below, the workshops intend to help develop the next generation of synagogue leaders. These workshops, running throughout the year, include Saturday Morning Junior Congregation, where kids learn songs, parts of the prayers, and the Torah portion for the week, and Bar and Bat Mitzvah training programs.

# Winnipeg Jewish Theatre

Last year, Winnipeg Jewish Theatre produced a digital version of 25 Questions for a Jewish Mother. With help from Community Impact Funds, WJT filmed the production over three days, with grant support helping to fly in Emmy-nominated Canadian actor Diane Flacks, to star as one of the mothers. WJT Artistic and Managing Director, Ari Weinberg, explains that their Jewish Community Impact Grant allowed them to continue providing meaningful content to the Jewish Community while in-person shows were at a minimum.

# Chesed ... Shel Emes

Chesed Shel Emes refurbished the front façade of their space at 1025 Main Street, expanding its capabilities and modernizing its practices, with the help of Community Impact grants. The new, bright spaces allow more space for the volunteers when caring for the deceased and more modern processes for doing so. Chesed Shel Emes also updated their board room and kitchen areas and added a brand new loading dock in the back of the building.

# Brock Corydon Parent Advisory Council

In 2021, Community Impact Funds helped the Brock Corydon Parent Advisory Council complete a four-year outdoor rejuvenation project, which saw upgrades and additions to the outdoor space at their school. Intending to provide increased outdoor education opportunities and high usage from both the school and the community, the new space offers a place where people can come together to learn, play, and enjoy the sun. The project’s final phase is currently underway, with more trees being added.

# Community Impact Grants

The Foundation exists because people have seen the value of endowment giving and supporting our community from generation to generation. Thanks to the generosity of our community, the Foundation is able to assist a wide range of organizations that provide services that improve the quality of life in our community. Community Impact Grants allow the Foundation the flexibility to provide support where it is needed the most.

# Bar/Bat Mitzvah Endowment Funds

These funds instill the principles of tzedakah and philanthropy in young people. When a child’s fund reaches \$750 by the time they reach age 15, the Nora & David🔥 Kaufman Bar/Bat Mitzvah Fund contributes an additional \$250 to bring the fund to the \$1,000 level. Once this happens, the fundholder is invited to recommend its annual allocation.

🔥 denotes funds that have been topped up by the Nora & David🔥 Kaufman Bar/Bat Mitzvah Fund

Endowment  
Book of Life Keepsake  
received by all new signers and  
available for all past signer stories!

## — THE ENDOWMENT — BOOK OF LIFE

Endowment Book of Life Signers leave both a financial and historical legacy to our community. Their commitment is a gift to our children, grandchildren, and all future generations of our families. Their gift commitments provide a foundation of support that strengthens our community in good times and during periods of uncertainty.

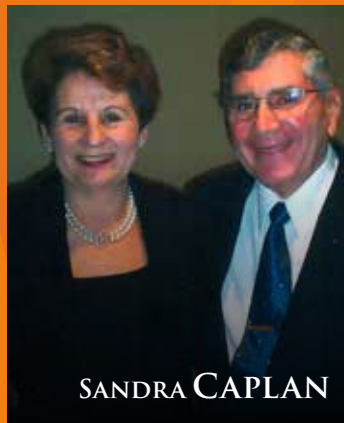

For the second straight year, we celebrated the Signers and their stories throughout our EBOL Week. This year, eight new Signers shared their stories.

# 2021 Signers

Starting Monday, October 25, we featured one 2021 Signer each day, celebrating their commitment to our community by leaving lasting gifts to the JFM. A feature on our social channels and website accompanied their stories being published in the Winnipeg Free Press' Local section.

Their stories joined more than 800 others, all thoughtfully expressing the history of our dynamic, caring, and lasting community.

## our vision

Founded on Jewish values, the Jewish Foundation of Manitoba cultivates an endowment fund that guarantees growth, innovation, and the vibrancy of the Jewish and general community in Manitoba. Forever.

## our mission

The Jewish Foundation of Manitoba, in keeping with our Jewish heritage and values, encourages and facilitates the creation and growth of endowment funds to enable the community to realize its potential. The Foundation maintains effective stewardship over all assets entrusted to it; distributes grants that reflect donors' wishes and community priorities; and provides leadership in the Jewish and general communities.
