The Jewish Foundation of Manitoba acknowledges that our organization benefits from being located on the original lands of Anishinaabeg, Ininiwak, Anisininewuk, Dakota Oyate, Dene and Inuit, and on the National Homeland of the Red River Métis.

We respect the Treaties that were made on these territories, we acknowledge the harms and mistakes of the past, and we dedicate ourselves to move forward in partnership with Indigenous communities in a spirit of Reconciliation and collaboration.

In 2024, the Foundation commemorated its 60th anniversary, a significant achievement made possible by the ongoing support and commitment of our generous donors. We want to take this opportunity to thank each of you. With your care, the Foundation will continue to flourish for the next 60 years and beyond.

We are proud to announce that the Foundation has now granted over \$105 million to charitable organizations since its founding in 1964. The organizations who have received this funding over the years are vital to our community, and we are honoured to contribute to their efforts.

One primary way the Foundation provides assistance is through Community Impact Grants. These grants are crucial for fostering a safe, thriving, and forward-looking Jewish community and province.

Although we are proud of our current level of support, the needs of these charitable organizations continue to grow. As we look to the future of Manitoba and its Jewish community, it is essential that we continue to expand our Community Impact Funds to keep up with this increasing demand.

Those who benefit from the programs that these grants support are our friends, families, neighbours and fellow Manitobans. Community Impact Grants are truly here for everyone.

HERE FOR EVERYONE

— COMMUNITY —
IMPACT FUNDS

Community Impact Grants are about more than just funding programs, they are an investment in the organizations and people who are the future of our community.

The organizations that make our community what it is rely on these grants to ensure their programs can continue providing the engaging Jewish experiences they have become known for. As grant requests increase and the needs of these organizations grow, our Community Impact Fund must grow with them to ensure their future.

The people taking advantage of these grants are your friends and your family. The impact of these grants is all around us, and we have all benefited from them, even if we are unaware of it.

Samantha Pollock and Ben Blanchard are parents in our community whose two children have significantly benefited from the David & Ruth Asper Early Learning Centre, created by the Rady JCC and supported by a Community Impact Grant. This is just one example of programming made possible with these grants.

The eldest of their two children graduated from the program and now attends Brock Corydon School, another Community Impact Grant recipient. Their younger daughter currently attends the daycare.

“They have an amazing outdoor space where the kids celebrate Shabbat and build the sukkah,” says Samantha. “There are so many experiential learning opportunities. The kids love it, and they’re always adding more.”

Jewish life and learning is scattered throughout all aspects of the program. She explains that being around the Judaic ideas and programs has already built a strong foundation for her children’s Jewish education.

“They bake challah every Friday, celebrate all the holidays, and had Rabbi Matthew Leibl come in to lead services,” Samantha says. “If my kids went anywhere else, they wouldn’t have these opportunities.”

Every Thursday, an Israeli educator at the daycare leads art exploration sessions and shares lessons about Judaism and Israel. “It’s incredibly enriching for them,” Samantha says. “It teaches them about Jewish values in a way that doesn’t necessarily come up at home.”

Programs at the Rady JCC, many supported by Community Impact Grants, play a central role in the lives of so many families in the Jewish Community. From Sunday Fundays for families to community celebrations like Yom Ha’atzmaut and Purim, these experiences strengthen the connection to our Jewish community and its lifestyle.

Community Impact Grants provide more than just programming; they help build identity, friendships and belonging. Children can flourish in an environment that emphasizes Jewish learning, cultural celebration, and social connection, all supported by the programming these grants sustain.

This is precisely why Community Impact Grants matter. They create the infrastructure for families to grow, connect, and thrive in our community, setting it up for a colourful future.

In the following pages, you can read more examples of how your support of Community Impact Funds builds a vibrant future for everyone in Manitoba. With your help, these supports will continue to meet the growing needs of all our vital organizations.

A CALMING OASIS

One of the JFM Community Impact Grants distributed in 2024 helped create the Gray Academy of Jewish Education's Calming Oasis, a dedicated sensory room designed to support students' emotional regulation, focus, and learning in a safe, calming environment.

"In a busy school, there are very few places where children can learn about quiet," says Lori Binder, Gray Academy Head of School. "Bells are ringing, teachers are teaching, lights are flashing; it's all very stimulating."

The newly opened sensory room provides a hands-on way to manage this energy.

The space is filled with various sensory tools that help students discover what they need to regulate their emotions and focus. Features like soft lighting, fidget toys, and a darkened room create a soothing atmosphere for students who feel overstimulated. For others who may be understimulated and need an energy boost, there are climbing walls, a swing, a trampoline, and many other active engagements.

Whether students require a moment to calm down or a space to re-energize, the Calming Oasis has quickly become an essential part of school for many, helping them learn not just academics but lifelong skills in self-awareness.

MODERNIZING TRADITION

Community Impact Grants provided support to Congregation Etz Chayim, which was able to beautify its new sanctuary, modernize its kitchen, re-shingle its roof, and improve its HVAC system.

As the synagogue moved into its new home at 1155 Wilkes Avenue in the south end of the city, the grant also helped the community staple address some key safety needs, ensuring all congregants can attend services safely and comfortably throughout the year.

One main goal of the synagogue, heading into their move was to create a location better suited for celebrating faith.

As a result of the move, Etz Chayim's United Synagogue Youth programming has seen up to 80 youth in attendance at once, hosted speaking engagements for up to 300 people with guest speakers from around the world, and served Shabbat Dinners for up to 220 people seated in their convertible Sanctuary.

The new space even allowed an indoor Lag Ba'Omer celebration with giant inflatable bouncers when rain caused a change in plans.

The new synagogue has proven to be a perfect place for community gatherings of all sizes.

OUTDOOR CONCERT SERIES

In July 2024, Community Impact Grants aided the Gwen Secter Creative Living Centre in reviving a program initiated during the COVID-19 Pandemic. Adding a tent to their parking lot, the Gwen Secter transformed it into a shaded, comfortable concert venue, hosting five weekly outdoor performances. Originally designed to fit into a socially distanced world, the Outdoor Summer Music Series proved so successful that there was no reason for it to end with the restrictions.

Curated by Karla Berbrayer, the series showcased several local professional musicians, many of whom were familiar faces from within the Jewish community.

“The program gave so many of our participants an extra reason to leave their homes,” says Becky Chisick, Executive Director. “It got them engaged in community programs safely and in the fresh air.”

She shared that for many of Gwen Secter’s seniors, the concerts became a weekly highlight to share with friends.

“A lot of our programming is created to reduce isolation for seniors in the community,” she says. “With water, shade, and good, engaging music, the concert series was a hit for the community’s well-being.”

UNIFIED SCHOOL PROGRAMS

A Community Impact Grant awarded to Special Olympics Manitoba will help launch its Unified School Programs in The Pas within the next year.

“The program is a meaningful first step in introducing students with intellectual disabilities to sport and fostering inclusion in schools,” says Rachel Wheatley, Special Olympics CEO. “Through Unified programming, students with and without intellectual disabilities come together as teammates, building friendships, breaking down barriers, and creating more connected school communities.”

She explains that for many students with intellectual disabilities, this is their first opportunity to experience the power of sport and the lessons and experiences it offers, which often lead to lifelong involvement as athletes and leaders.

Establishing The Pas as a central hub, Special Olympics Manitoba will reach local youth and extend opportunities to surrounding communities that may face barriers to inclusive sports programming.

Special Olympics Manitoba is building a more inclusive province for all Manitoba athletes, one school, team, and community at a time.

SEEDLING PROJECT

One of the Community Impact Grants distributed in 2024 helped initiate a Seedling Project at the West Broadway Community Organization. The project is part of their Gardens Program, which manages green spaces and six community gardens in West Broadway.

“We already have a seed library for gardeners in our community,” says Kelly Frazer, Executive Director. “Despite many of them expressing a desire to use bedding plants in their pots, the cost of this remains a significant barrier.”

The Seedling Project was launched to address this issue and help more community members grow food in their plots. Frazer estimates that with the new knowledge and experience gained during this year’s program, they may be able to double the number of plants in future years.

Operated by staff and volunteers who oversee the planning and care of the seedlings, the program transfers plants into solo cups once they reach a viable size for giveaway to community members. Staff reports also show a reduction in stress levels due to the mental health benefits of gardening.

Thanks to the project, 1,175 plants were grown for distribution to community gardeners.

HOLIDAY PROGRAMMING

A Community Impact Grant distributed to the B'nai Brith Canada Foundation supports holiday programming that acts as a connection point for members of the Jewish community who may have become somewhat removed from the community or may otherwise feel isolated during key moments in the Jewish calendar.

One way B'nai Brith approaches this issue is by hosting an interfaith Passover Seder, where guests can come together and celebrate the holiday with others in the community. They also assemble and distribute holiday-specific food bags throughout the year to give to about 100 families.

“The food bags are a reminder that everyone is a part of our community,” says Ruth Ashrafi, Regional Director, Manitoba. “The program brings so much joy and warmth into people’s homes and ensures they can have things like round challot for Rosh Hashanah and latkes for Chanukah.”

Many people may struggle with food insecurity, health concerns and other issues, and during the holidays, stress and loneliness may feel especially present. This program ensures that the holidays are holidays for everyone. Whether individuals do not have close family or strong ties to the community, they still need to know they belong and have a community around them.

A TRULY HISTORIC YEAR

A MESSAGE FROM OUR Chair & Chief Executive Officer

In 2024, the Jewish Foundation of Manitoba (JFM) celebrated its 60th anniversary, a truly historic achievement. Thanks to the generosity of our donors, the Foundation has granted over \$105 million to charitable organizations in that span of time. We would like to personally thank every individual who gives to the JFM. Everything we achieve, all the programs and students the Foundation supports, is thanks to you.

This achievement represents more than just a number. It is a testament to our community's trust in the JFM. This milestone could never have been achieved without our donors' collective desire to give back.

As an incentive for our donors, 2024 saw the Foundation launch the Million Dollar Match, which allocated \$1 million in matching funds for all new gifts from individuals up to \$18,000 per gift. As we have seen happen so often, our donors again showed their dedication to the community, and all matching funds were utilized in less than six months.

The initial 119 founders of the JFM, over 60 years ago, anticipated the growth of our Jewish community and knew that the Foundation would be called upon to ensure that it would flourish. In our community we rely on one another, with many of our organizations and programs interconnected in their services, all to support Jewish life in Manitoba and the greater Manitoba community.

Just as the Founders looked to the future, so too does the present-day JFM. We know that the students in our community are the next generation of philanthropists and will be the hands to which our community is passed in the years to come.

This year alone, we awarded 54 scholarships and academic awards totalling over \$175,000.

These scholarships are an investment in our community's future leaders. Financial barriers must not stand in the way of excellence, opportunity, or the longevity of Manitoba's Jewish community, and we are proud to play a supporting role in these educational journeys.

And yet, while we pause to celebrate these accomplishments, we know that our work is far from done. The needs in our community are growing, not shrinking. The world continues to change, and the funding requests continue to increase.

In 2024, the Jewish Foundation of Manitoba granted \$7.44 million to Manitoba charities, the highest annual total ever. Our unwaveringly generous donors have made this possible. Still, community needs continue to grow at 14% annually, which is even faster than this impressive growth in the Foundation's distributions.

As you look through our Annual Report, you will see the highlights of numerous Community Impact Grants showcasing the tremendous work our community organizations can do thanks to support from the Foundation.

The JFM has long been a pillar of the Jewish community, and to ensure that we retain and strengthen this role, we must recommit our focus to growing our endowments at a rate that can keep pace with our community's needs. Together, we will ensure that the next generation benefits from these grants as we have.

PLANTING THE SEEDS OF PHILANTHROPY

A MESSAGE FROM OUR Chief Financial Officer

The Foundation experienced significant growth in 2024 through additional gifts from the community and investment performance.

Contributions exceeded \$9,850,000, for which the Foundation is extremely appreciative. However, it's the activity behind that number that is the focus. The Foundation does not operate an annual campaign per se. The successes the Foundation may enjoy are driven by its desire through the Board and staff to fulfill the community's philanthropic objectives.

We are continually assessing the Foundation's relevance to the community. The success the Foundation enjoyed in 2024 is the product of a lifetime of continually "planting philanthropic seeds" with our donors and community organizations, both by the current Board and staff and those that came before us. The community appears to be responsive. We will continue our walk with community members in this manner as we plant the seeds today for those who come after us.

In addition, through its successful Million Dollar Match program celebrating the Foundation's 60th anniversary, the Foundation contributed an additional \$1.0 million to various endowments. The endowment funds increased by \$10.9 million (7.5%) from the previous year. We continuously state that growth is not for growth's sake. The growth in the endowment funds over the past year represents an additional \$500,000 annually to be distributed to the community – in perpetuity.

During 2024, the Foundation committed to over \$7.4 million in grants and distributions. This is an increase of \$457,000 (6.5%) over the previous year.

In 2024, the investment portfolio returned 15.15% net of fees. The Investment Committee, along with the Foundation's investment advisor, diligently stewards a diverse array of assets to maximize investment return at reasonable risk and ensure sufficient resources are on hand to fund the annual grants, distribution, and operation.

These financial and non-financial activities during 2024, contributions, investment performance and continual dialogue with community members, resulted in total assets growth by \$24.7 million (15.2%) over the previous year to \$186.4 million.

I would like to express my sincere thanks to everyone who generously supports the Foundation and our community each and every year.

EVERYONE LOVES A MATCH

To the sponsors who fund our matching initiatives, the donors who make gifts, and the participating organizations who make our community great – thank you!

JFM FundMatch catapults organizational endowments to new heights.

In 2012, the Jewish Foundation of Manitoba launched FundMatch, an incentive to encourage Jewish organizations to grow their endowment funds. The pilot was funded with the support of generous community members and a commitment from the Foundation.

Twelve years later, sixteen organizations have embraced the concept and added close to \$17 million collectively to their endowments. FundMatch was crucial in supporting the evolution of this endowment growth mindset.

Organizations are now able to use the revenue from their endowments to support their missions and mandates. This annual income contributes to greater stability, less reliance on grants and financial flexibility. The Jewish Foundation is honoured to work with these organizations to help build their fundraising capacity and work towards self-sustainability.

As we conclude our pilot FundMatch program, here are some amazing community statistics:

- The original concept for FundMatch was for ten organizations to participate. As of December 2024, sixteen organizations joined the initiative.
- Participating organizations earned over \$902,000 in matching dollars in addition to gifts made by donors to their endowment funds.
- The endowment fund balances of those organizations grew from \$4.45 million to over \$21.32 million – a remarkable return on investment for the organizations, the sponsors and the JFM.
- Since 2012, the combined distribution from participating funds has grown substantially from \$169,000 to nearly \$1.18 million annually, meaning more income in the hands of organizations.
- Before 2012, the Jewish community had 16 organizational endowment funds with \$12.2 million in capital. Today, there are 35 organizational funds with over \$40 million in assets.

What's next?

We are excited to announce that in the summer of 2025, we will launch a second phase of the Foundation's matching program. Stay tuned and join us once again as we make an impact that resonates for generations to come!

BAR/BAT MITZVAH ENDOWMENT FUNDS

These funds instill the principles of tzedakah and philanthropy in young people. When a child's fund reaches \$750, the Nora & David Kaufman Bar/Bat Mitzvah Fund contributes an additional \$250 to bring the fund to the \$1,000 level. Once this happens, the fundholder is invited to recommend their annual allocation.

‘↑’ denotes funds that have been topped up by the Nora & David Kaufman Bar/Bat Mitzvah Fund

— THE ENDOWMENT — BOOK OF LIFE

2024 SIGNERS

On Sunday, November 3, 2024, more than 120 people gathered for a brunch full of warmth, celebration, and entertainment at the Congregation Shaarey Zedek for the Endowment Book of Life Signers' Brunch.

This year we gathered to honour individuals who signed the Book of Life in 2023 and 2024.

Year after year, the importance of these individuals' commitment remains the same. Endowment Book of Life Signers will leave a financial and historical legacy to our community. Their commitment is a gift to our children, grandchildren, and our families' future generations.

Below, you will find a short excerpt from each signer's story. To read their full stories and over 800 Endowment Book of Life stories, visit: bookoflife.jewishfoundation.org

MARLENE REISS
AND PERRY ROSE

"We have been very fortunate in our careers and in our lives. We feel very close to our Jewish roots and wanted to give back. It's important to us that the Winnipeg Jewish community thrive; that is why we've made this commitment to the JFM. We hope this donation will ensure that this community continues to thrive long into the future."

"When Saul left his estate to the Jewish Foundation of Manitoba, he achieved the second highest level of tzedakah- giving without knowing to whom one gives and without the recipient knowing from whom he received. What a fitting final act from Saul Feldman after a lifetime of selfless generosity."

SAUL FELDMAN

RABBI ALLAN
FINKEL

"I have loved the public experiences of being a rabbi, but even more, I love the quiet moments, working with families and individuals in both painful and joyous moments, including interfaith couples or the remarkable people who want to journey into Judaism."

"It is indeed my honor and privilege of a lifetime to enter the Endowment Book of Life. Here I join with so many others before me, including those who I knew when I lived in Winnipeg, to give back to a community that helped to shape who I became and how I have chosen to engage with others in the world."

A TRIBUTE TO OUR FRIEND

The JFM has always been more than just a workplace; as in many offices, your co-workers become like family. This past December, a cloud of heartbreak washed over our JFM family with the passing of one of its shining members, Jennifer Wood, after her year-long battle with cancer.

To honour her memory, the Foundation is collaborating with Jenn's family to establish a scholarship in her name. This scholarship will help students who have obstacles in their path, financial or otherwise, to overcome them, further their education, and open doors to their future that may have otherwise been closed.

If you would like more information please contact the Foundation offices.
