Change You Can See

The Jewish Foundation of Manitoba is like the roots of a thriving tree, quietly nourishing the Jewish community.

Its support extends deep and wide, allowing charities to grow as sturdy branches and individuals to flourish as vibrant leaves. You can see the impact of our donors in the strength of charitable organizations and the well-being of people across Manitoba.

Like the roots of a tree, we channel resources to where they are needed most, encouraging community innovation and growth. This support enables organizations to provide essential programming and continue delivering the services people rely on.

Our donors are the reason we can make that happen. Their generosity is visible all around us. The effects can be seen in programming that makes real change, such as improved health screening and early intervention, expanded opportunities for children's learning and recreation, support for seniors, more resources for families and newcomers, and greater accessibility for everyone to share in community spaces.

When one year ends, and another begins, it's important to review our progress, much like examining the rings of a tree to see its growth over time. Reflecting reveals where the greatest changes have occurred and highlights areas that still require attention.

What we see in that reflection is that organizations across Manitoba are reporting rising demand. Meaning longer waitlists, increased service use, and greater pressure on staff and volunteers as they work to meet this ever-growing need. In other words, support for our Jewish community and province is more important today than ever.

As it has been for over 60 years, the Jewish Foundation of Manitoba is ready to meet those demands head-on. Like the healthy roots of a tree that sustain it and help it flourish, we will continue to nourish those in need and ensure our work under the surface continues to grow into change you can see.

The following pages highlight some of the impactful grants that have made a meaningful difference in our community over the last twelve months.

Thank you to all of you who help make these initiatives happen.

Making Play Safe

When the Winnipeg Board of Jewish Education set out to replace its aging playground, the goal was not simply to install new equipment, but to create a space that could meaningfully support inclusive, multi-generational play.

Made possible through a Jewish Foundation of Manitoba (JFM) Jewish Community Impact Grant, along with support from donor-advised fund distributions, the project demonstrates how community philanthropy can create lasting spaces that benefit future generations.

The project has transformed a playground that has served students since 1997 but was facing growing safety, accessibility, and maintenance challenges.

“The rubber foundation allows a grandparent to come and join... there’s no barrier between the concrete and the playground. It provides a smooth, accessible surface,” explained Lori Binder, Head of School of Gray Academy.

In response to the needs of students, families, and community members, the Winnipeg Board of Jewish Education led a collaborative planning process to ensure the new design reflected a wide

range of abilities and play styles. The result is a fully redesigned playground featuring accessible rubber surfacing, shaded areas, and multi-sensory play elements that support social, emotional, and physical development.

The new design removes barriers at entry points and allows wheelchair users and individuals with mobility aids to move freely throughout the space. Since opening, the playground has become an active gathering place for students, families, and the wider community, encouraging daily play, social connection, and family engagement.

More than a playground renovation, the project is a long-term investment in accessibility, inclusion, and community wellbeing. Through the support of JFM’s Jewish Community Impact Grant program, this vision has become a visible example of how philanthropy can help create spaces where every child and family can participate, connect, and thrive.

Swim Smart!

Women's Endowment Fund
Grant Recipient

“Swimming should be a right, not a privilege,” says Rishona Hyman, Owner of Aqua Essence and Director of Swim With Me!. “Everyone needs to learn how to swim, and there shouldn't be barriers for young people to do so.”

Thanks to a Women's Endowment Fund (WEF) grant from the Jewish Foundation of Manitoba, Swim With Me! put that belief into action through its Swim Smart Tuesdays program. The initiative delivers an eight-week swimming and water safety program in partnership with a local school serving Indigenous and newcomer communities, targeting girls in grades 3 to 6 who might otherwise have limited access to formal lessons.

“These girls never had access to structured swimming instruction,” says Hyman. “For some, it was their first time in a pool.”

The WEF grant helped remove key barriers to participation by covering transportation, swimwear, towels, and hygiene products. Rash guards and other materials were also provided to create a safe, comfortable environment where participants could focus on learning without added stress or discomfort.

Each session combines technical swimming instruction with broader water safety education, including survival skills, floating, treading water, and emergency awareness through Swim to Survive benchmarks. Nutritional supports such as fruit and snacks are also included, reinforcing a holistic approach to wellbeing and engagement.

The program has had measurable impacts beyond the pool. Schools report improved attendance on program days, increased enthusiasm, and stronger participation in classroom and peer activities. Many participants begin with little or no swimming experience and gradually build confidence and foundational water-safety skills throughout the program.

By reducing financial, logistical, and cultural barriers, Swim With Me! creates a structured and supportive environment where children can build life-saving skills. Supported by JFM's Women's Endowment Fund, the program strengthens individual safety outcomes while advancing broader community wellbeing across Winnipeg.

Newcomer Support

When a newcomer Israeli family first arrived in Winnipeg following the escalation of conflict in Israel, they were faced not only with displacement but with the uncertainty of how to rebuild daily life in a completely new system. Questions about housing, schooling, healthcare, and employment all arrived at once, often while families were still processing significant trauma and upheaval.

Supported through a Jewish Community Impact Grant from the Jewish Foundation of Manitoba, Jewish Child and Family Service Winnipeg is leading an initiative designed to meet these needs through coordinated supports. The program was developed in response to a growing number of Israeli families arriving in Manitoba under temporary permits, many with limited familiarity with local systems and significant emotional stress.

“We needed someone who can focus specifically on these people,” says Iael Besendorf, Supervisor of Settlement and Integration Services for JCFS. “Someone who can connect with them in their own language and understand their cultural background.”

JEWISH CHILD AND FAMILY SERVICE
Strengthening Lives in Keeping with Jewish Values

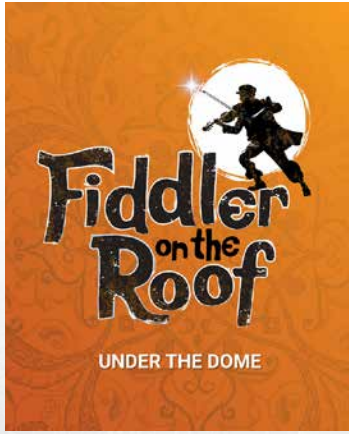

Alongside practical settlement support, the program includes community-based consultations to help schools, synagogues, and partner agencies respond effectively to the needs of newcomers. Many families are dealing with layered stressors, including financial pressure, uncertainty about long-term status, and the emotional impact of displacement. “These families come with additional baggage,” says Besendorf. “It's the stress of leaving quickly, often with trauma that is still living with them.”

By combining direct support and community coordination, JCFS is helping families move from crisis into stability while strengthening the broader community's ability to respond with understanding and consistency.

A Cultural Classic Reborn

Winnipeg Jewish Theatre, in partnership with Rainbow Stage, will present Fiddler on the Roof in September 2026. Featuring a larger-than-ever cast and full orchestra, the production brings one of the most iconic works in Jewish theatre to one of Winnipeg’s most celebrated stages.

The Jewish Foundation of Manitoba has been a longstanding supporter of Winnipeg Jewish Theatre, awarding the organization five grants in 2025 alone.

The production marks the first time Winnipeg Jewish Theatre has staged Fiddler on the Roof in its 38-year history.

As Artistic Director Dan Petrenko notes, the show’s central question, “what is home and where do we feel like we belong?”, resonates deeply in today’s climate. Through the story of Tevye and his family, the production explores themes of tradition, change, and belonging while sharing Jewish stories with more than 10,000 audience members.

The collaboration expands access to a broader audience, supports participation from Jewish artists across Canada, and strengthens cultural understanding by bringing Jewish storytelling to a major civic stage.

Bringing Care To All Parts Of Life

For more than 110 years, the Saul and Claribel Simkin Centre has provided compassionate, Jewish-based personal care to Winnipeg seniors, serving 200 residents in a warm and supportive environment rooted in dignity, connection, and community.

With support from the Jewish Foundation of Manitoba, the Centre is expanding its volunteer program through a new Volunteer Engagement Specialist role. The position will strengthen recruitment, build community partnerships, and create more opportunities for meaningful resident interaction, including

a junior volunteer summer program and the return of end-of-life supports through the “No One Dies Alone” program. Manager of Resident Experience Heather Blackman says volunteers help create moments of joy, companionship, and connection. By deepening volunteer engagement and strengthening relationships across the community, the Simkin Centre is building an even more vibrant and connected home for residents and their families.

Community Impact Grant Recipient

A Manitoba For Everyone

Manitoba Possible supports children, youth, and adults with disabilities through clinical services, employment supports, assistive technology, and community programming across Manitoba.

With support from the Jewish Foundation of Manitoba, the organization is creating a new Community Resource and Support Hub by consolidating two Winnipeg locations into a single, accessible facility. The hub will bring together 11 programs and feature universal design elements, including accessible meeting spaces, a community kitchen, and

a wheelchair terrain park that helps users build confidence navigating real-world environments.

The project reflects Manitoba Possible’s commitment to removing barriers and expanding participation for people of all abilities. Shaped by extensive community consultation, the new hub will provide a welcoming space designed around accessibility while helping create a more inclusive Manitoba for everyone.

Setting Standards For The Future

A MESSAGE FROM OUR Chair & Chief Executive Officer

In 2025, the Jewish Foundation of Manitoba (JFM) continued to build on a legacy of generosity and community partnership that spans six decades. This year's theme, "Change You Can See," reflects a guiding belief that philanthropy's impact is most powerful when it is visible in the lives of individuals, families, and organizations across our community. From education to community programming to long-term endowment growth, 2025 was a year where that impact was both measurable and deeply felt.

We are pleased to share that the total value of grants distributed in 2025 was \$8,184,137. These funds were directed to a wide variety of community needs, reinforcing the JFM's role as a dependable and responsive partner to organizations across Manitoba. Each grant represents not only financial support but also trust in organizations delivering vital services and programs that strengthen Jewish life and contribute broadly to the well-being of our province.

In 2025, the JFM awarded 72 scholarships and academic awards totaling \$230,759. These awards reflect more than academic achievement; they represent opportunity, encouragement, and investment in the next generation of leaders who will carry our community forward. Supporting students in this way ensures that financial barriers do not stand in the way of potential, ambition, or future contribution.

This year, a very impressive milestone was reached – for the first time, total JFM assets exceeded \$200 million, a significant achievement that reflects the generosity of our donors and prudent investment management. In addition, thanks to strong investment results, the JFM was able to capitalize \$5.5 million

back into endowments, strengthening the base from which enhanced future granting will be possible.

A defining initiative in 2025 was the launch of FundMatch II, building on the success of the original FundMatch project introduced in 2012. This renewed program is designed to further strengthen organizational endowments and support long-term sustainability across Jewish organizations. Initially, 18 organizations signed agreements to participate, and four additional organizations have since established new endowments with plans to join the initiative.

Early outcomes have been highly encouraging, with \$689,388 in new gifts generating close to \$178,000 in matching funds in 2025. FundMatch II reflects a shared commitment to building stronger, more sustainable organizations for the future. We are deeply grateful for this continued partnership and for the organizations that have committed to strengthening their long-term sustainability through this initiative.

As we reflect on the year that was, we do so with gratitude for our donors, fundholders, and community partners who make this work possible. The JFM remains committed to ensuring that philanthropy in Manitoba continues to grow in both scale and impact, and that the results of this generosity remain clearly visible in our community.

Together, we continue to build something enduring, and together, we continue to create change you can see.

Growth with a Purpose

A MESSAGE FROM OUR Chief Financial Officer

For 2025, the investment portfolio returned 12.64% (net 12.48%). Based on this performance, in early 2026, we declared a general income capitalization of \$5.5 million to all endowment funds, effective January 1, 2026.

The annual commitments from grants and distribution from designated endowments were \$1.6 million, and the total endowment was \$39.6 million. Total assets were \$43 million.

My first year at the Jewish Foundation of Manitoba was 2000; 2025 will be my last reporting year with the Foundation. As I turn to my next chapter, I take extreme comfort and pride in knowing that the strength of what we have all built will uplift this community in whatever ways needed for years to come.

During 2025, the Foundation committed to \$8.2 million in grants and distributions from designated endowment funds. This is an increase of \$740,000 over the previous year. Since the Foundation was established in 1964, total grants and distributions are \$113.6 million. The increase in support to the community during 2025 is a result of growth in the endowment base of \$4.5 million from contributions to \$161.1 million, allowing for incrementally greater annual distribution over previous years. Total assets exceeded \$200 million for the first time.

So, as I state for the final time, growth is not for growth's sake... one can see the tangible meaning of growth in the significant increase in annual support to the community over time. It is a truly remarkable feat to distribute \$8.2 million to a community of this size. However, it is only possible due to the continued confidence of our donors in the Foundation's relevance and mission to the community, as was understood by those who came before us and those who will follow.

The Foundation, true to its Founders' vision as an independent funding body with a disciplined approach, has touched almost every aspect of community life, from annual educational awards for students to grants for a tremendously wide range of projects, both small and large.

A priority is to assist organizations in growing their respective organizational endowments to provide increasing support for their annual core funding and mitigate somewhat the constant pressure to find other sources of funding. We are proud of our FundMatch and FundMatch II programs, which greatly assist in this regard. On many occasions, the Foundation is operating in "the background" with its support to our organizations in an unobtrusive fashion.

On a personal note, it has been a great privilege to be a part of the Foundation. I was very fortunate to work with great colleagues from whom I learned a great deal about both work and life. I was also fortunate to work with the strategic and insightful leadership of the various Board(s) of Directors and volunteers who always gave 100%. In particular, I thank David Cohen, Marsha Cowan and John Diamond for their faith and confidence in me. Finally, a huge thank you to my beloved wife, Sandra, who has put up with me and enthusiastically supported my career.

To quote a famous Winnipeg rock group...

"Seasons change and so do I – you need not wonder why".

Everyone Loves a Match

To the sponsors who fund our matching initiatives, the donors who make gifts, and the participating organizations who make our community great – thank you!

JFM FundMatch II catapults organizational endowments to new heights.

In 2012, the Jewish Foundation of Manitoba launched FundMatch, a pilot initiative funded by the Foundation and through generous community members, to encourage Jewish charities to grow their Organizational Endowment Funds.

In the fall of 2025, the JFM launched the second iteration of this successful incentive – FundMatch II. Twenty-six organizations were invited to hear about expanded criteria for involvement, a new threshold of matches and the timeframe to capitalize on the initiative.

The launch was well attended by 15 organizations represented by their CEOs/Executive Directors along with dedicated fundraising staff and key volunteers. Since then, 7 organizations have signed agreements to participate in FundMatch II, and 3 new organizations have established endowments with plans to participate in the initiative.

Seeing the growth of the sustainability they had hoped to inspire when they first supported FundMatch, The Asper Foundation has also returned in its role as the lead supporter of FundMatch II.

We are grateful.

The Jewish Foundation of Manitoba is honoured to partner once again with the donors who make gifts to these organizations that are building their fundraising capacity and working towards self-sustainability.

Bar/Bat Mitzvah Endowment Funds

These funds instill the principles of tzedakah and philanthropy in young people. When a child's fund reaches \$750, the Nora & David Kaufman Bar/Bat Mitzvah Fund contributes an additional \$250 to bring the fund to the \$1,000 level. Once this happens, the fundholder is invited to recommend their annual allocation.

Endowment
 Book of Life Keepsake
 received by all new signers and
 available for all past signer stories!

Stewart Fay
in memory of Patricia Fay

“When I decided to sign the Endowment Book of Life, I did so because I want my family and granddaughters to know my story. My granddaughters have brought so much joy to my life – I love spending time with them – and this entry will be a lasting memory”

Dave Hill

“Throughout my professional life, I have been deeply connected with Winnipeg’s Jewish community. Many of my colleagues, mentors, and clients are Jewish, and I’ve always admired the strength and perseverance of the Jewish people throughout history.”

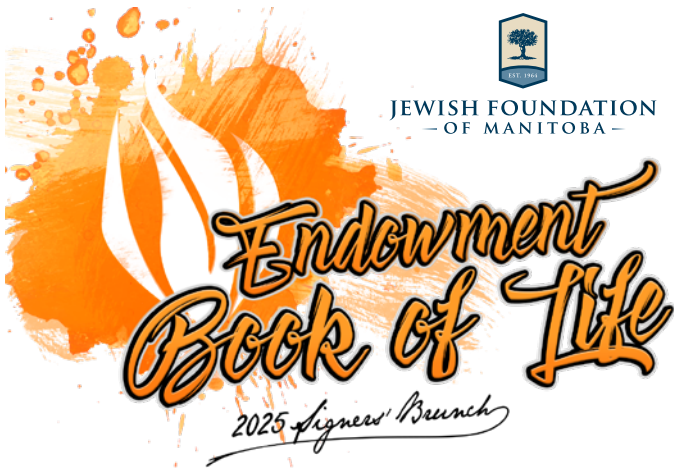

Becky Kaufmann

“Whenever I make a decision, I ask myself: would this make my parents and children proud? I am a proud Winnipegger, and am grateful that my ancestors helped to build our community’s facilities and organizations—cornerstones of community life.”

Moses Levy

“Judaism is central to my identity, and I believe in strong and flourishing Diaspora communities, as well as in supporting the people of Israel. Our community has thrived because of those who came before us and invested in its future. The JFM carries that responsibility forward today, ensuring that Jewish life in Winnipeg is strong and enduring.”

2025 SIGNERS

On Sunday, November 2, 2025, more than 120 people gathered for this year’s Endowment Book of Life Signers’ Brunch. It was a morning full of warmth, celebration, and entertainment at the Congregation Shaarey Zedek.

Year after year, the importance of these individuals’ commitment remains the same. Endowment Book of Life Signers will leave a financial and historical legacy to our community. Their commitment is a gift to our children, grandchildren, and our families’ future generations.

To read the signer’s full stories and over 800 Endowment Book of Life stories, visit:

Belva London

“My parents were fiercely Jewish and belonged to several Jewish organizations, including the Shaarey Zedek Synagogue, where I attended Hebrew School, Brownies, Girl Guides, enjoyed Junior Youth Organization, United Synagogue Youth and had my Bat Mitzvah, convocated from Hebrew School.”

Jack London

“Nothing fully defines my unusual and spectacular life and good fortune more than Belva Patricia Weisz, who married, supported and trained me when I was 21 and she 20. We married in 1964 and ever since have enjoyed the ultimate in serendipity: a marriage that works and has produced two fabulous daughters.”

Jeff Morry

“Though the Jewish people have always faced challenges, not only do we survive, we thrive and continue to embrace a world that has not always embraced us. It’s baked into our intellectual and spiritual DNA. Our story inspires others: despite so much pain, we have always reached outward to repair the world.”

Sarah Morry

“Community service has always been an extension of these same values. I have held many roles with the Jewish Federation of Winnipeg, including work with the Combined Jewish Appeal, Women’s Philanthropy and the Community Planning Committee, chaired the Israel Pavilion - Shalom Square at Folklorama, and volunteered at my children’s schools.”

Securing the Future

Charitable giving through life insurance is an effective way to donate a substantial gift with a comparatively smaller investment.

Donors provide a gift of life insurance to the Jewish Foundation of Manitoba or name the Foundation as a beneficiary in policies which they own.

The following donors have gifted life insurance policies to the Foundation:

Donald Aronovitch	Sheila Krolik ^{of blessed memory}	David Polinsky ^{of blessed memory}
Reva Aronovitch ^{of blessed memory}	Barry Lank ^{of blessed memory}	Ronald Polinsky ^{of blessed memory}
Ian Barnes	Monty Lomow	Richard Rothberg
Marsha Cowan	Rae ^{of blessed memory} & Gary Margolis	Sandra Secter
Sheldon David Dermer ^{of blessed memory}	Faye Parks Micay ^{of blessed memory}	Clarice Shell ^{of blessed memory}
Arlene & Mel Fages	Hope & Howard Morry	Philip M. Sheps
Ronald Ganetsky ^{of blessed memory}	Matthew & Mira Narvey	Sharon ^{of blessed memory} & Ed Shinewald
Liesel Gilmore ^{of blessed memory}	Mollie ^{of blessed memory} & Ozzie ^{of blessed memory} Nasberg	Elaine Stoller ^{of blessed memory}
Alan B. Glesby ^{of blessed memory}	Monte ^{of blessed memory} & June Nathanson	Catherine Weinstein
Guy ^{of blessed memory} & Hester ^{of blessed memory} Kroft	Rory Paul	

In addition, many donors have named the Jewish Foundation of Manitoba as beneficiary in policies which they own.

GROWING GREEN

At the Jewish Foundation of Manitoba, we are always thinking about tomorrow and reducing our impact on the environment.

We will notify you when future reports are published. Thank you!

Vision

Founded on Jewish values, the Jewish Foundation of Manitoba cultivates an endowment fund that guarantees growth, innovation, and the vibrancy of the Jewish and general community in Manitoba. Forever.

Mission

The Jewish Foundation of Manitoba, in keeping with our Jewish heritage and values, encourages and facilitates the creation and growth of endowment funds to enable the community to realize its potential. The Foundation maintains effective stewardship over all assets entrusted to it; distributes grants that reflect donors' wishes and community priorities; and provides leadership in the Jewish and general communities.
