how To all of this year's signers for participating in

Sheri Cohen

Toby Morantz In Memory of Sydney L. Morantz and Pearl Morantz

In years past, we have always been able to come together to honour the signees and their stories. Most recently, that celebration has taken the form of the Endowment Book of Life Brunch. This year, as you know, that was not possible. Instead, we brought the celebration straight to you. For the first time, we needed to find a way to recognize all of our unique and inspirational signers without the ability to gather together. Through that necessity, "EBOL WEEK" was born.

Starting Monday, October 26, and for the entire week following, we dedicated all of our communication channels to these six amazing people. The Foundation's social media, directed email and print advertising encouraged all to visit our website and uncover these inspirational life stories. Each day of the week, one story could be found on page B3 of the Winnipeg Free Press, topping off the experience and bringing our signer's stories to the broadest audience ever.

While it may have looked a bit different this year, the sentiment and importance remained the same. This year's Endowment Book of Life Signers will leave both a financial and historical legacy to our community. Their commitment is a gift to our children, grandchildren, and all future generations of our families.

Their gift commitments provide a foundation of support that strengthens our community in good times and during periods of uncertainty. For that we say, thank you!
